

FUNDRAISING TIPS

LET'S GET CREATIVE!

SEND EMAILS & TEXTS

Reach out to your parents, grandparents, aunts, uncles, cousins, family friends, third cousins once removed--you name it!--and ask for donations to your UDM page! Make sure to personalize each email and talk about why you're passionate about UDM. We even have a pre-written email template for you to use! Check out our resources page to get it.

GET INVOLVED

Ask if you can talk about UDM to your classes, team practices or group meetings! If your friends and classmates see how pumped YOU are about UDM, they'll be more likely to sign-up too! (And that just means a bigger, more fun party for you at the event!)

TRICK-OR-TREAT... FOR UDM!

Go trick-or-treating on Halloween! But instead of asking for candy, ask for a donation to your UDM team! Remember to bring a secured box to keep donations in.

ASK YOUR PARENTS

Lots of parents these days are hardcore Facebook fans. Ask them to post about your UDM fundraising! Surely you will get lots of support.
