#DANCEUNIFIED

On Saturday, November 18th, you'll find me at the Mall of America Rotunda at the action-packed event the Unified Dance Marathon to support Special Olympics Minnesota. What is the Unified Dance Marathon you may ask? Well, I will be raising a minimum of \$50 so I can dance and take part in non-stop fun for 6 hours straight alongside fellow students and Special Olympics athletes! We #danceunified to create a world in which every single person is accepted and welcomed regardless of ability or disability!
