

## SCHOOL NEWSPAPER

The Unified Dance Marathon is an annual fundraiser hosted by Special Olympics Minnesota, bringing together those with and without disabilities to support the Unified movement! This six-hour event at the Mall of America Rotunda is truly jam-packed with fun performances, celebrity appearances, free food, prizes and of course, dancing! As a dancer, you will be expected to raise at least \$50 for Special Olympics Minnesota athletes. The more you raise, the cooler swag you will receive. This is a dance party with a purpose. It is the most inclusive dance party in the state of Minnesota. It is a dance party where everyone is welcome and where everyone is celebrated because of their differences and abilities. It is a dance party that is helping change our communities and create a world where everyone is included.

Who is a part of UDM? Anyone and everyone. Middle school, high school, and college students and Special Olympics athletes! When you register, you will be able to select a team or register as an individual. Encourage your friends to sign-up as well so you can go together and meet new friends at the event! Part of a club or sports team? You can raise money for Special Olympics Minnesota AND your team. Learn more by emailing Maureen Gruys at [maureen.gruys@somn.org](mailto:maureen.gruys@somn.org).

Visit [udmsomn.org](http://udmsomn.org) to learn more and to register! Dance Unified, Live Unified.
